NICK REYNO
FRONT-END WEB DEVELOPER

ABOUT ME

I'm bringing the creativity of the music industry and the precision of journalism to a webpage near you. I'm finding unique solutions to complex problems and I'm doing it all while making the worst puns you've never heard before.

TECHNICAL SKILLS

React	CSS3
jQuery	HTML5
Javascript	Git
SCSS	Responsive Web Design
Firebase	Acessible Design

EDUCATION

Juno College

- Web Development Certificate — Jan 2020 – Mar 2020
- Javascript Prep — Oct 2019 – Dec 2019
- Web Development Prep — Jul 2019 – Aug 2019

Fanshawe College

- Audio Engineering Diploma — Sep 2014 – May 2016
- Fred Sherratt National Award — May 2016

COMMUNITY WORK

Lucknow Music in the Field

Part of the production team for this festival which supports regional charities, hospitals, and schools. The festival has raised over 1.3 million dollars to fight cystic fibrosis.

FEATURED WORK

What Do You No? | React & Firebase

An English learning tool that helps users traverse the more subtle quirks of the language. The datamuse API is used to retrieve homophones and definitions of varying difficulty.

Casino Reyno | jQuery & SCSS

A classic and authentic blackjack experience, equipped with betting, splitting, and a shop to purchase nicer playing tables.

Mix me a Drink | jQuery & API

Helps users create inspired cocktails for events and parties. This app utilizes an API to suggest cocktails based on a number of filters, including random drinks and mocktails.

EMPLOYMENT HISTORY

Music Festival Production Crew Lead

DJM Festival Productions | August 2016 - October 2019

- Led a team of 15 technicians to implement new techniques and practices, increasing efficiency and morale across team members
- Assistant audio lead for 8 day festival attended by over 12,000 people
- Created sustainable growth of freelancer and client lists through excellent execution of over 30 shows per year

Journalist

FSU Interrobang Newspaper September 2014 – September 2016

- Wrote compelling articles on a weekly basis adhering to strict deadlines and formatting codes
- Edited writer's articles ensuring consistent quality across the board

Storefront Service Manager

Walmart | September 2013 - November 2014

- Orchestrated break schedules and money transfers for a team of 24 cashiers
- Increased Walmart credit card applications by 20% while providing clear and effective training of new cashiers and help-desk clerks
